

# Make This Summer The Best One Ever.

**STEM Camp**  
Science. Technology. Engineering. Mathematics.

***Interactive, inspirational, incredible and most of all ... memorable!***

STEM campers will participate in hands-on activities based in the Science, Technology, Engineering and Mathematical fields of study. Campers are challenged each day to develop critical thinking and problem solving skills through a virtual or in person experience with expert guests including scientists, engineers, computer technicians, mathematicians, olympic athletes and other Canadian champions. **For children 5 to 13 years of age. STEM Camp is for parents who want to provide an incredible and inspirational learning experience for their children in the summer!**

16 Ontario locations in the Summer of 2015: Ancaster, Brantford, Cambridge, Clinton, Dundas, Goderich, Ingersoll, Kitchener-Waterloo, London, Oakville, Scarborough, St. Thomas, Tillsonburg, Waterdown, Windsor, Woodstock

**Register online at [www.stemcamp.ca](http://www.stemcamp.ca)**

**Toll-free: 519-913-5283**

**STEM Camp is a not-for-profit initiative**
